# Missionary Musings

These are very unusual times, to say the least! As I write this, it has now been 10 weeks since activities began to shut down here in SW Georgia due to the **Coronavirus Pandemic**. In recent days, we have finally begun to see some loosening of restrictions on businesses and personal movement. We still have a long way to go, but the public health statistics suggest that we are now on the downhill side of the COVID-19 “bell curve.” Praise the Lord for that! In spite of what any politician may say about it, God **is** in control and He alone can get us out of this mess. Yes, we each must do our part (“social distancing,” wearing masks, washing hands, etc.), **and** continue in our prayers and steadfast trust in Him.

I have been inspired and encouraged by the way our **pastors** in the Bethel Baptist Association have responded to this crisis. In spite of limitations on public gatherings, they have continued to minister to their congregations and to their communities in bold and often innovative ways. They are wonderful gifts from God to our local churches, and I pray that we all appreciate them and continue to lift them up in prayer each and every day. Here’s an idea: Consider giving your pastor a call sometime and simply asking him, “Is there anything I can do to help you out today?” You might be surprised at his response and at the positive results for your church!

In spite of the pandemic, life does go on, and we continue on our journey. On May 21<sup>st</sup>, our **Administrative Team** was able to physically meet at the Associational Office for the first time in

two months. We are beginning the process of **calendar planning and budgeting** for the next associational year, which begins on October 1<sup>st</sup>. I am grateful to have such a wise and faithful group of godly servant-leaders to work with here in the Bethel Association!

At that meeting, I announced to our leadership my plans to **retire** from full-time associational ministry early this Fall. I will be turning 65 in August, and Mary and I have decided that the time is right for me to step aside from the role of Associational Missionary for the Bethel Baptist Association. My final day of employment as your AMS will be September 30<sup>th</sup>, 2020.

We have thought much and prayed about this decision for the past couple of years, and the Lord has given me complete peace that this is His will for us (and for our Association). After over 21 years, it is now time for new leadership and a fresh, new direction for the BBA. And with continuing health issues beginning to limit my abilities and availabilities to serve in this capacity, it is also time for a new chapter

in my own personal ministry.

I am so grateful for the wonderful blessings God has given us throughout our time here, and for all of the 32 years He has allowed me to work in full-time associational ministry. He has truly given me some unique experiences! Now, I am looking forward to continuing to serve Him and His Church during retirement through supply preaching, leadership training, and possible interim pastorate (s). For the immediate future, Mary and I plan to remain in the Blakely area, at least until God calls us elsewhere.

I have asked our Moderator, Bro. Michael Williams, to appoint a **Search Committee** to find a new Associational Mission Strategist, as dictated by our By-Laws. Hopefully, that Search Committee will be named and commissioned at our **June 22<sup>nd</sup> Executive Committee** meeting, and they can begin their task. This will allow me about three months’ time that I can consult and work with them (as requested) to help them get off to a good, fast start!

I share this news today with a mixture of joy and sadness. I pray that, as our local churches begin “re-opening” for public worship services, I will be able to personally visit with many of you over the next four months. I look forward to seeing you face-to-face and being able to tell you all how much we love and appreciate you, and to encourage you to remain faithful to our Lord Jesus Christ and to His mission.

After all, it’s His church!
