Moderator's Musings

Easter, such a great time of year! For the last two years, the pandemic even changed the way many of our churches handled Easter Sunday and all the other events surrounding Easter. My prayer for Easter 2022, is for each our churches to have a much closer to normal Easter week and weekend. Be praying for your people, be praying for your community, be praying for all of your visitors as you prepare for Easter this year. Pastors, be ready to clearly share the Gospel of Jesus, even if you are having a cantata, make sure those who are visiting hear the Good News of Jesus clearly before they leave.

Continue to pray for all of our associational churches. We have several new pastors and a few churches who are looking for pastors. Continue to keep each other lifted up in prayer. Continue to pray for our AMS search team. They continue to work diligently as they seek the Lord's guidance in all they do.

Blessings,

Pastor Nathan

we will reap a harvest
