Moderator's Musings

Seven of the churches of the Bethel Association were represented in the most recent Executive Committee meeting in January. During the meeting those present shared in a meaningful time of prayer for the churches and believers who are members of this association. I would like to extend a personal request to each of you to continue praying for Mrs. Kathy and Mrs. Joyce as they perform their duties in the office of the association each week. Furthermore, please remember our Associational Mission Strategist Search Committee who is working diligently to find the next missionary being called by God to serve the cooperative interests of the churches of the association. They have been working prayerfully throughout the last few months. They are making great progress each month towards the aim of presenting a person to the association at a future Executive Committee meeting.

Additionally, please begin praying for the 2021 Nominating Committee who is now beginning the task of asking people to serve in the association's various positions. Their work will continue until the Spring meeting of the association when the proposed report will be presented for approval. The spring meeting will be held at Ft. Gaines Baptist Church in April.

Lastly, please pray about your participation in the association as you may be called upon by the Nominating Committee to serve or if convicted to do so, call and volunteer to serve. There are many opportunities for you to participate.

If I can be of any service to you please do not hesitate to contact me.
