Moderator's Musings

In the most recent years of my life, when I think of the month of July, I have four ideas, which immediately come to mind. First, our Nation's Independence Day. Second, the annual visit of one of my best friends, from college, seminary, and ministry. Third, heat, because July is hot! Finally, July has always marked kind of the middle point of our summer ministries. Be praying for all of our churches as they begin their plans for the fall, after summer break ends. Most of our churches are getting closer and closer to ministering in ways similar to how we were precovid, but many are also now dealing with the challenge of finding volunteers to fill many of the leadership roles needed. Please keep praying for each of our churches, their pastors, and members.

Continue to pray for our Mission Strategist search team. Their task is not easy, yet I can assure you they are working diligently at trying to find the next leader of our association. Their task is important, and while we may hope for something quickly, as we all know, our time and God's time are sometimes two very different things.

Finally, keep praying for Ms. Kathy Hardwick and Mrs. Joyce Jarrett as they take care of the day to day business of the association.

God Bless you all!

Prayer for America

Father in Heaven,

We, the people, in the

land of the free

and the home of the brave,

desperately need You.

Oh that we would leave our

ways of seeking to be blessed

and instead

seek to bless others.

We beg for Your guidance and

wisdom for our leaders.

We ask You to protect our land

from enemies both within and

without.

And we praise You for the

freedom we have through the

blood of Your Son.

May Your plan be the

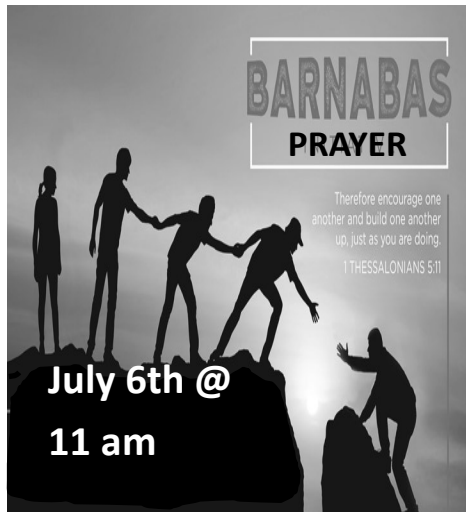

desire of our nation.

Amen
