Bethel Baptist Association

Dear Brother Pastors and Church Leaders,

I want to thank you for your service and dedication to the Lord and His church. I know this past year or so have been some difficult days. I want you to know that I am here to assist and encourage you as well as listen to you. Unfortunately, I have not met each of you yet. I am looking forward to the day when I know each of you personally. I ask you to help me with that please. A text, a phone call or an email will help us establish a means of communication.

Let us hold fast the confession of our hope without wavering, for He who promised is faithful. Hebrews 10:23 May we never waver in our confession or in our calling.

Winston Churchill said, **Never, never, never give up.** Never, never, never give up. When something is important enough, you do it even if the odds are not in your favor. Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time. It always seems impossible until it's done.

Paul writes to the church at Philippi and to each of us: ***I can do all things through Christ who strengthens me. Literal translation is I can ENDURE all things through Christ who gives me strength!***

May God bless your ministry greatly,

Bro. Jim

You're invited to an upcoming Worship and Music Roundtable! These are times for church music leaders to gather and be encouraged and prepared to do local church ministry.

We believe in helping you establish relationships with other music and worship leaders, discuss best practices, and refresh as we converse.

Worship and Music is based on six principles:

1. Mind of Christ
2. Heart of Worship
3. Hands of the Artist
4. Feet of Service
5. Voice of Discipleship
6. Ear to the Next Generation.

Annual Church Report

Why complete an annual church report?

- You are an important part of the Southern Baptist family! This small task benefits the entire Southern Baptist Convention and her mission of reaching the world with the Gospel of Jesus Christ.
- Information gathered can be used to help your church measure ministry directions and effectiveness.
- Reviewing data from several years can help your church as you plan ministry strategies each year.
- Information collected can be archived and not lost as the result of a church fire, flood, or property damage.
- It assists our national SBC agencies in reporting accurate, important, and relevant information concerning church life.
- Reported data helps determine the number of church messengers that can be duly and properly elected to participate and vote in state convention and national convention meetings.
- Information provided through the ACP survey enables your association and state convention to better communicate with and serve the needs of your congregation.

Please have reports in by Oct. 6th. You can mail to the Bethel Baptist Association or even call it in and I will take care of it for you, 229-835-2887. Thank you, Kathy Hardwick BBA Ministry Assistant.
